Items NOT To Bring To Camp

These items will be taken from campers and held until the end of the week. Possession of weapons or drugs may result in the immediate removal of the camper from camp.

- Food (The camp provides good nutritious meals. Food in the tents only encourages rodents and other animals to invade, which can cause unsafe and unclean conditions.)
- Knives or other weapons
- Fireworks
- Money, jewelry, or other valuables
- Alcohol, tobacco products, other drugs, or any drug paraphernalia
