Dear Try Camper and Parents,

Thank you for registering to “Try Camp” at Bear Creek Camp. We are excited to have you join us this summer. We congratulate you as you take this big step in life; we are committed to making this new adventure an exciting and memorable experience for you.

The “Getting Ready For Camp” booklet is full of information to help you prepare for your first Bear Creek experience. A cover letter just inside this booklet gives general information about the camp sessions and program. Detailed information, about frequently asked questions, is found in the following pages. If you have any questions that aren’t answered in this booklet please contact us at (570) 472-3741 or campinfo@bearcreekcamp.org. Our staff will be happy to help.

The enclosed “Health History” form is required in order to help ensure that all campers have a positive experience at camp. Please fill this out completely and send it back to camp at least 2 weeks prior to your camp start date. Having this information on file greatly speeds up the registration process when you arrive at camp.

Registration for Try Camp is as follows:

- Sunday to Wednesday (Block A) Campers

Registration-Sunday 3pm at the BCC Pavilion

Pick-up-Wednesday 9am at the Dining Hall

- Wednesday to Saturday (Block B) Campers

Registration-Wednesday 3pm at the Office Porch

Pick-up-Saturday 9am at the Dining Hall

At Bear Creek Camp we are excitedly looking forward to summer camp and hope that you are too.

God’s Peace,

Lauren Remillard
Youth Programs Manager
